

THE MINI 60 YEARS EDITION.

TRADITIONALLY CONTEMPORARY.

60 years ago, Alec Issigonis created a timeless style icon that was also charismatically young and fresh. Mini was born. It captured the spirit of a generation and delivered compelling solutions to the universal challenges of urban mobility. Such as the intelligent use of space, personalised styling and sporty handling.

To this day, MINI still embodies those same values. To commemorate its anniversary, the limited MINI 60 Years Edition was created. Available for the MINI 3- and 5-door Hatch, it's equipped with a range of unique features that highlight the brand's heritage and contemporary dynamism.

To recapture the flavour of our heritage, the MINI designers have recreated the British Racing Green body colour exclusively for the anniversary models. Specially designed signature matt black bonnet stripes with pinstripes in Aspen White and British Oak underline its uniqueness. A roof and exterior mirror caps in Pepper White complete the overall sporty look.

An unmistakable statement: meet the MINI 60 Years Edition featuring a distinctive badge on its side scuttles, front door entry strips and logo projection from the driver mirror. A collector's item not just for Sunday outings, the MINI 60 Years Edition is as keen on corners as it puts the fun back into daily urban traffic.

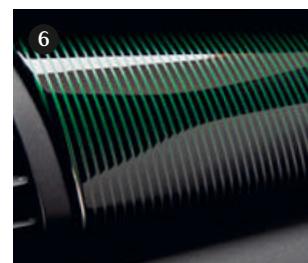

THRILLINGLY CULTURED.

The interior of the MINI 60 Years Edition breathes new life into the classic Mini's legendary heritage. Details such as the bold stitching and piping on the MINI Yours Leather Lounge 60 Years Dark Maroon upholstery pay tribute to the finest British craftsmanship. While the hand-stitched nappa leather of the MINI Yours steering wheel is soft to the touch, its multifunction and

cruise-control buttons ensure perfect handling with both hands on the wheel. As testimony to its unique character, the steering wheel bears the 60 Years badge on the lower spoke. The black foil and pinstripes in British Racing Green and Dark Silver on the fascia add another touch exclusive to the anniversary model.

The MINI 60 Years Edition's stylish extras feature the anniversary model's special insignia. Look for it on the side scuttles (1), logo projection from the exterior mirror (2), front door entry strips (3), MINI Yours leather seats (4) and MINI Yours steering wheel (5).

The unique aesthetic is also carried through to the stylish interior surface design (6), the distinctive bonnet stripes (7) and the newly designed two-tone 17-inch alloy wheels in Dark Spectre Grey with burnished spokes (8).

COLOURFULLY DIFFERENT.

Go your own way: MINI drivers should always be able to pick and choose. If you would prefer your anniversary model's paintwork or upholstery in another colour, simply talk to your MINI dealer.

CO ₂ emissions, combined	g/km	125–123 [122–119]	104–103 [104–103]	150–148 [129–127]

¹ All figures relate to vehicles with the standard 6-speed manual transmission. Values in [] relate to vehicles with 7-speed/8-speed Steptronic transmission.

² The values of fuel consumptions, CO₂ emissions and energy consumptions shown are determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model and may vary during the configuration. The values are already based on the new WLTP regulation and are translated back into NEDC-equivalent values in order to ensure the comparison between the vehicles. [With respect to these vehicles, for vehicle related taxes or other duties based (at least inter alia) on CO₂-emissions the CO₂ values may differ to the values stated here.]

* Available until May 2019.

The models, standard and optional equipment and combinability of options in this flyer relate to cars supplied by BMW AG for the German market. The availability of standard and optional equipment, and configurations of options, may vary for all models in this flyer after going to press on 20.12.2018 and may vary from country to country within the European Union. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to changes in design and equipment.
